

Presentation of Chips

Hi, my name is _____, and I am a Sex Addict.

Although we live the Steps one day at a time, we celebrate certain milestones in our recovery.

Is there anyone who is celebrating 30 days of sobriety today? Would you like to tell us how you did it?

(When presenting the chip, share a hug with the person you are giving the chip to.)

60 days? 90 days? 6 months? 9 months? 1 year? 18 months or multiples of years?

(Be sure and ask them if they would like to tell the group how they did it.)

(When someone is celebrating a year milestone, everyone in the group should stand and sing happy birthday to them.)

We also have a 24 hour Hope chip, no sobriety is required. Would anyone like a Hope chip?
(Don't ask them to share.)

Let's give ourselves a hand for being here.
